## Rapid Rehousing

Are you sleeping in an emergency shelter, in public areas, or in another place that is not permanent or safe? Consider requesting a coordinated entry interview with CCA, as we are one of Denton County's network of nonprofits operating as "front doors" to end homelessness. **PLEASE KEEP IN MIND** The coordinated entry process does not guarantee assistance and does not mean there are new resources available.

We are working diligently with many households to end their homelessness, but resources are limited. It is possible and likely that programs you are interested in will not have any current openings, and there is no way to tell when a program may be able to offer assistance.

Come by to schedule an appointment to be assessed during business hours.
